

# FUNDRAISING AND SPONSORSHIP

## PURPOSE

To provide parents/carers and other members of our school community with an overview of Murrumbeena Primary School's approach to fundraising.

## POLICY

Fundraising is an important way for Murrumbeena Primary School to raise money so that it can deliver additional learning opportunities, programs for students and improve school amenities.

School staff, members of the school community or School Council: Fundraising and Social sub committee may want to undertake fundraising activities for Murrumbeena Primary School.

Murrumbeena Primary School encourages all members of our school community to be involved in fundraising initiatives and school council fundraising and social sub committee welcomes all proposals for fundraising.

Fundraising is a function of the school council and council must approve all fundraising events or activities on behalf of our school.

At the beginning of each school year, the school council will approve any fundraising events or activities for the upcoming year. If it is necessary during the year, the school council may approve additional fundraising events or activities.

In deciding whether or not to approve particular fundraising events or activities, the school council will act in accordance with legal requirements, any relevant Department of Education and Training policy or guideline, and the Department's *Finance Manual for Victorian Government Schools*.

All money raised through fundraising, unless legally otherwise provided for, will be held on trust by the school council for the general or particular purpose for which it was raised.

### Fundraising for Charitable Causes

Murrumbeena Primary School, through the school council, may also decide to fundraise for charitable causes. In deciding whether or not to fundraise for a particular charitable cause, school council may:

- Consider whether the methods used to raise funds for any specific charitable appeal are appropriate
- Seek written advice from organisations promoting fundraising activities on the percentage of funds raised that are directed to the named charity

## SPONSORSHIP

**DEFINITION:** *The term 'sponsorship' refers to the donation of goods, services, resources or funds by a business, industry or community group to the school either directly, or through the support of an event or program.*

### PURPOSE

Murrumbeena Primary School recognises that sponsorship arrangements with business, industry and community groups can enhance educational opportunities for students and augment school funding and resourcing.

### AIMS

- To build positive relationships with local businesses and community groups that may benefit the school, and provide an avenue for these groups to actively exercise their social responsibility and support their local community.

- To ensure that arrangements reflect an image that is consistent with the values, goals and policies of the Department of Education and Training (DET), current legislation, the school and the local school community.

NB: The term ‘business’ encompasses industry and other commercial activity. The term ‘community’ includes community services organisations, other educational institutions, local government, ‘not for profit’ groups and other philanthropic bodies.

- All sponsorship sources or offers, including proposed advertisements, will be assessed and approved by the Principal in consultation with School Council members. Office staff will be notified when such offers are approved.
