17 March 2020

Dear MPS Parents, Carers and Students,

Today students have been provided with resources to use **in the event of a school closure**, including:

- A student workbook
- Pencils and writing materials
- Reading materials

Where students are already absent, these can be collected from the school this week, if requested.

**Please do not use** these materials until the school is closed or your family has already decided to do home learning.

**These are not homework tasks** to be completed tonight and brought back to school tomorrow.

In the event of a school closure, students are advised to do the following:

- Set up a quiet study area at home.
- Free the study space from distractions and ensure notifications are turned off on devices.
- Maintain a regular routine so you set aside time to complete tasks.
- Complete your reading log pages.

Parents:

- Monitor home learning.
- Mark completed work.
- Discuss books or chapters that have been read.
- Look for new vocabulary by asking for word meanings.
- Ask your children to show you what they have completed online before they log off.
- Actively ensure tasks are completed to the best of the children's ability but not by the parent!  
(We know you love to help)
- Keep a record of children's log in details and passwords for Essential Assessment and Study Ladder.
- Please be aware Study Ladder has unlimited access during school hours but only allows for 2-3 activities outside those hours.
- Please join the Glen Eira library to access ebooks and other resources such as Literacy Planet  
<https://library.gleneira.vic.gov.au/>

Please refer to the Remote Learning section on our school website under Teaching and Learning;

<https://murrumbeenaps.vic.edu.au/>

Encyclopedia Britannica link is also on our website <https://school.eb.com.au/>

Documents will be uploaded to our website as well as being sent out on Compass for ease of student access.

Warm Regards  
Lynne Foster  
Principal
