

Where do I find the work my child has to do?

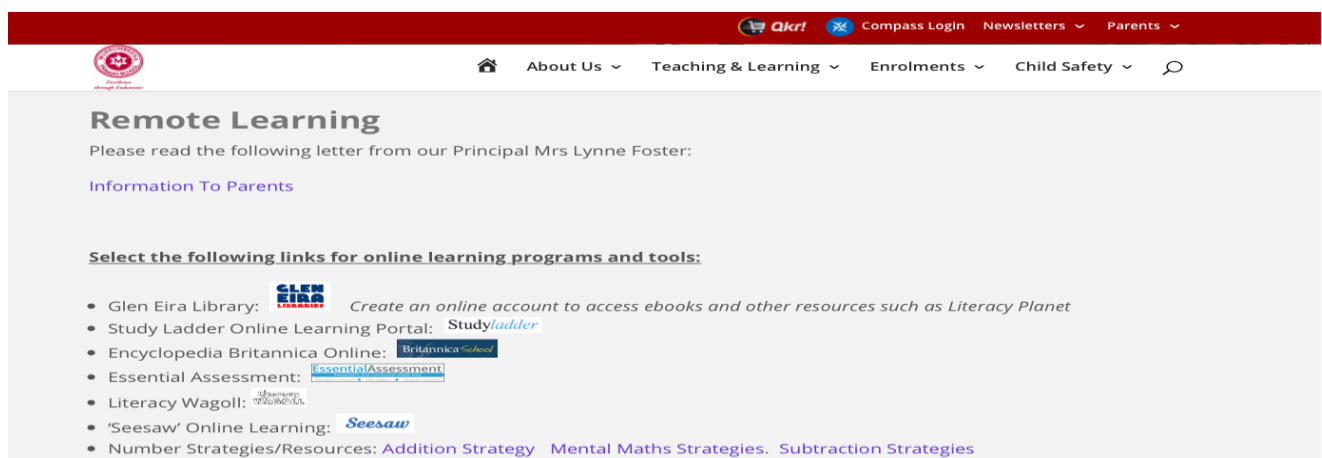

The teachers will upload the weekly learning planner onto the school's website. The planner explains the activities students are expected to do and provides a guide as to how long each task is anticipated to take.

Here's where to find it.

1. Google 'Murrumbeena Primary School' to get to the school's website.
2. Click on the 'Teaching and Learning' tab to see the drop down menu.

3. Click on the remote learning
4. Below is what you will see. Your child will have passwords to access each of the online resources shown eg. Study Ladder, Essential Assessment.

5. Scroll further down the page to view the list of links for each grade's Home Learning.
6. Click on your child's grade, download and print the planner for the week.
