

Murrumbeena Primary School Policy

ATTENDANCE POLICY

PURPOSE

The purpose of this policy is to

- ensure all children of compulsory school age are enrolled in a registered school and attend school every day the school is open for instruction
- ensure students, staff and parents/carers have a shared understanding of the importance of attending school
- explain to school staff and parents the key practices and procedures Murrumbeena Primary School has in place to
 - support, monitor and maintain student attendance
 - record, monitor and follow up student absences.

SCOPE

This policy applies to all students at Murrumbeena Primary School.

This policy should be read in conjunction with the Department of Education and Training's School Attendance Guidelines. It does not replace or change the obligations of Murrumbeena Primary School parents and School Attendance Officers under legislation or the School Attendance Guidelines.

DEFINITION

Parent – includes a guardian and every person who has parental responsibility for the child, including parental responsibility under the *Family Law Act 1975* (Cth) and any person with whom a child normally or regularly resides.

POLICY

Schooling is compulsory for children and young people aged from 6 to 17 years (unless an exemption from attendance or enrolment has been granted).

Daily attendance is important for all children and young people to succeed in education and to ensure they do not fall behind both socially and developmentally. School participation maximises life opportunities for children and young people by providing them with education and support networks. School helps people to develop important skills, knowledge and values that may set them up for further learning and participation in their community.

Students are expected to attend Murrumbeena Primary School during normal school hours every day of each term unless:

- there is an approved exemption from school attendance for the student
- the student has a dual enrolment with another school and has only a partial enrolment in Murrumbeena Primary School, or
- the student is registered for home schooling and has only a partial enrollment at Murrumbeena Primary School for particular activities.

Both schools and parents have an important role to play in supporting students to attend school every day.

Murrumbeena Primary School believes all students should attend school during the school hours, when the school is open for instruction, and is committed to working with its school community to encourage and support full school attendance.

Our school will identify individual students or cohorts who are vulnerable and whose attendance is at risk and/or declining and will work with these students and their parents to improve their attendance through a range of interventions and supports.

Students should be committed to attending school every day, arriving on time and being ready to learn. Our students are encouraged to approach a teacher and seek assistance if there are any issues that are affecting their attendance.

Murrumbeena Primary School parents should be committed to ensuring their child/children attend school on time every day when instruction is offered, to communicating openly with the school and providing valid explanations for any absence.

Parents should communicate with the relevant staff at Murrumbeena Primary School about any issues affecting their child's attendance and work in partnership with the school to address any concerns.

Parents should endeavour to schedule family holidays, appointments and other activities outside of school hours.

Supporting and promoting attendance

Murrumbeena Primary School's *Student Wellbeing and Engagement Policy* supports student attendance.

Our school also promotes student attendance by:

- informing parents through the newsletter of the importance of being on time and attending school every day
- notifying parents/ carers in the morning of an absence via an SMS if the absence is unexplained
- following up with a phone call or email to the parent/ carer when absences are either ongoing or there are a number of unexplained absences
- distributing the Attendance Policy so the responsibility for attendance is underpinned by shared understandings and expectations about the procedures for monitoring, recording and follow-up of student attendance

Recording attendance

Murrumbeena Primary School must record student attendance twice per day. This is necessary to:

- meet legislative requirements
- discharge Murrumbeena Primary School's duty of care for all students

Attendance will be recorded by teachers at the start of the school day and immediately after the lunch break by using the COMPASS school communication system.

If students are in attendance at a school approved activity, the teacher in charge of the activity will record them as being present.

Recording absences

For absences where there is no exemption in place, a parent must provide an explanation on each occasion to the school.

Parents should notify Murrumbeena Primary School of absences by one of the following (these options are in order of preference):

- record the absence and reason through the COMPASS communication portal
- phone the school (parents can choose the attendance option from the recorded message and provide the details).

If contact cannot be made with the parent/s (due to incorrect contact details), the school will attempt to make contact with emergency contact/s nominated on the student's file held by the school, on the day of the explained absence.

Murrumbeena Primary School will keep a record of the reason given for each absence. The principal will determine if the explanation provided is a **reasonable excuse** for the purposes of the parent meeting their responsibilities under the *Education Training Reform Act 2006* and the School Attendance Guidelines.

If Murrumbeena Primary School considers that the parent has provided a **reasonable excuse** for their child's absence, the absence will be marked as '**excused absence**'.

If the school determines that no reasonable excuse has been provided, the absence will be marked as '**unexcused absence**'.

The Principal has the discretion to accept a reason given by a parent for a student's absence. The Principal will generally excuse:

- medical and dental appointments, where out of hours appointments are not possible or appropriate
- bereavement or attendance at the funeral of a relative or friend of the student, including a student required to attend Sorry Business
- school refusal, if a plan is in place with the parent to address causes and support the student's return to school
- cultural observance if the parent/carer notifies the school in advance
- short family holidays where the parent notifies the school in advance

If no explanation is provided by the parent within 10 school days of an absence, it will be recorded as an 'unexplained absence' and recorded on the student's file.

Parents will be notified if an absence is recorded as 'unexcused'.

Managing non-attendance and supporting student engagement

Where absences are of concern, due to their nature or frequency, or where a student has been absent for more than five days, Murrumbeena Primary School will work collaboratively with parents, the student, and other professionals, where appropriate, to develop strategies to improve attendance, including:

- establishing an Attendance Student Support Group
- implementing a Return to School Plan
- implementing an Individual Education Plan
- implementing a Student Absence Learning Plan for students who will be absent for an extended period in collaboration with the parent/ carer

We understand from time to time that some students will need additional support and assistance, and in collaboration with the student and their family, the school will endeavour to provide this support when it is required.

Referral to School Attendance Officer

If Murrumbeena Primary School decides that it has exhausted strategies for addressing a student's unsatisfactory attendance, we may, in accordance with the School Attendance Guidelines refer the non-attendance to a School Attendance Officer in the South East Victorian Region for further action.

If, from multiple attempts to contact with a parent, it becomes apparent that a student will not be returning to the school, the principal may make a referral to a School Attendance Officer if:

- the student has been absent from school on at least five full days in the previous 12 months where:
 - the parent has not provided a reasonable excuse for these absences; and
 - measures to improve the student's attendance have been undertaken and have been unsuccessful
- the student's whereabouts are unknown and:
 - the student has been absent for 10 consecutive school days; or
 - no alternative education destination can be found for the student.
